Sir:

INFORMATION DISCLOSURE STATEMENT

In order to ensure compliance with the applicant's duty of disclosure under 37 C.F.R. §1.56 and §1.97(a)-(d), Applicant hereby submits this Information Disclosure Statement.

This Information Disclosure Statement is being filed pursuant to 37 C.F.R. § 1.97(d), after the mailing date (October 27, 2009) of a final Office Action. The Patent Office is hereby authorized to charge the \$180.00 fee for filing an Information Disclosure Statement pursuant to 37 C.F.R. § 1.97(d), to our Deposit Account No. 03-3125.

The references listed in the annexed Form PTO-1449 were cited in a December 7, 2009 official action in connection with a counterpart Japanese patent application. A copy of the December 7, 2009 Japanese official action is also enclosed herewith. Each reference listed in the Form PTO-1449 annexed to this Information Disclosure Statement was first cited in any communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this Information Disclosure Statement. Other references (JP2003-70781, JP58-116343, JP2001-212138, JP8-77329, and JP6-215150) cited in the Japanese official action were submitted

with the Information Disclosure Statement filed on September 30, 2005 with this application and therefore are not being listed on the Form PTO-1449 annexed hereto.

Copies are submitted herewith for only references listed on the annexed Form PTO-1449 that are not a U.S. patent or U.S. patent application publication.

It is respectfully requested that the information cited in the annexed Form PTO-1449 be considered by the Examiner in connection with the above-identified patent application, and that such art be made of record in said application.

The citation of the listed item is not a representation that it constitutes a complete or exhaustive listing of the relevant art or that the item is prior art. The item listed is submitted in good faith, but is not intended to substitute for the Examiner's search. It is hoped, however, that in addition to apprising the Examiner of the particular item, it will assist in identifying fields of search and in making as full and complete a search as possible.

The filing of this Information Disclosure Statement is not an admission that the information cited herein is, or is considered to be, material to patentability as defined in 37 C.F.R. §1.56(b).

The Patent Office is hereby authorized to charge any additional fees that are required for consideration of this Information Disclosure Statement, and to credit any overpayment during prosecution of this application, to our Deposit Account No. 03-3125.

Respectfully submitted,

Paul Teng, Reg. No. 40,837
